Previous Borrowers

As a previous borrower, it is strongly recommended that you complete the Financial Awareness Counseling at www.studentloans.gov at this time. Financial Awareness Counseling provides tools and information to help you understand your financial aid and help you manage your finances.

Additionally, we encourage you to review the repayment estimator at www.studentloans.gov to see the impact of future borrowing. This tool uses your loan information from National Student Loan Data System (NSLDS) to estimate initial monthly payments, repayment plan eligibility, repayment plan cost comparison and total interest paid.

All Borrowers – to be completed after your awards have been posted to Pathway.

If eligible, your loan will be added to your Financial Aid package as an Offered Amount. You must then follow the instructions below to accept the loan. It is up to you, the student, to accept how much you wish to receive. You have been offered the maximum amount for the year, so keep in mind that if you need a loan for the summer, you will need to either reduce your overall amount for the fall/spring or save your money to pay for summer.

1. Log in to your PTC Pathway account at <https://pathway.ptc.edu>.
