TUESDAY TOPICS FOR SUCCESS

Tuesday, January 24
Understanding Motivation and Goal Setting
Participants will discuss how to motivate themselves towards goal achievement. The goal of a college degree is within reach, and in this interactive workshop participants will have an opportunity to define their goals and visually outline them. One of the outcomes of this workshop will be a Vision Board that participants may take with them.

Tuesday, February 7
Improve Your Writing Skills and Make Use of the Writing Center
Hear from a PTC faculty member on how you can improve your writing skills. Learn how to get through writer's block, improve your writing style, and make less mistakes.

Tuesday, February 21
Learn What's Needed to Transfer to a College or University
Celebrate Black History Month and learn about transferring. A panel of PTC faculty/staff members will share their experiences on attending a Historically Black College or University (HBCU). Gather information on college/university options after completing your degree at PTC from our transfer coordinator. If you are researching where you want to apply, trying to figure out your major, exploring transfer requirements, writing admissions essays, completing applications, submitting required documents, or anything in-between, this workshop is for you!

Tuesday, February 21
HBCU College Transfer Fair (11:00 a.m. - 2:00 p.m.)
A Historically Black Colleges and Universities (HBCU) Transfer fair will be held in celebration of Black History Month. Visit with HBCU vendors and hear about transfer opportunities. For more info, contact our transfer coordinator's office at (864) 941-8402.

Tuesday, March 14
Job Fair, Career Etiquette and Networking Case Scenarios
In this interactive workshop, learn how important it is to understand professionalism and ways to conduct yourself at the job and in general business interactions such as virtual and in-person meetings, social media, and business dinners and receptions.

Tuesday, April 4
Financial Literacy - Hands-on Budgeting
Information will be provided on free resources to help guide you with money management responsibilities and goals. There will also be interactive activities to help you better understand how college degrees, credit, savings, and life goals can impact your household budget and future goals.

Workshops are held from 12:45–1:30 p.m. in the Student Center on the Greenwood Campus or via WebEx using the QR code at the top of this page.
